

Heal The World

From 'Thriller: Live'

There's a place in your heart
And I know that it is love
And this place could be much
Brighter than tomorrow

And if you really try
You'll find there's no need to cry
In this place you'll feel
There's no hurt or sorrow

There are ways to get there
If you care enough for the living
Make a little space
Make a better place

Heal the world
Make it a better place
For you and for me
And the entire human race

There are people dying
If you care enough for the living
Make it a better place
For you and for me

If you want to know why
There's love that cannot lie
Love is strong
It only cares of joyful giving

If we try we shall see
In this bliss we cannot feel
Fear of dread
We stop existing and start living

The it feels that always
Love's enough for us growing
So make a better world
Make a better place

**Heal the world
Make it a better place
For you and for me
And the entire human race**

**There are people dying
If you care enough for the living
Make a better place
For you and for me**

SOLO AND HARMONIES

And the dream we were conceived in
Will reveal **a joyful face**
And the world we once believed in
Will shine **again in grace**

Then why do we keep strangling life
Wound this **earth, crucify its soul**
(Mmm) Though it's plain to see
This world is heavenly
Be god's glow

**Heal the world
Make it a better place
For you and for me
And the entire human race**

**There are people dying
If you care enough for the living
Make a better place
For you and for me**

SOLO

There are people dying
If you care enough for the living
Make a better place for you and for me
You and for me
