

# Radio Gaga

We Will Rock You

We sit alone and watch your light  
Our only friend, through teenage  
nights  
And everything we want to get  
We download from the **internet**

No need to think, no need to feel  
When only cyberspace is real  
It makes us laugh  
It makes us cry  
It makes us feel like we can fly

Hope to record our life online  
Touch any key, the world is mine  
We're lost in space  
But we don't care  
Without your light our world's not  
there

Complete control, you are the  
power  
Our lives are programmed by the  
hour  
**GlobalShow**

**All we hear is radio Ga Ga**  
**Video Goo Goo**  
**Internet Ca Ca**  
**All we hear is cyberspace Ga Ga**  
**Marketing Blah Blah**

Always something new  
**Globalsoft, all your world loves**  
**you**

We watch our shows  
We watch your stars  
Across our screens for hours and  
hours  
We hardly need our eyes or ears  
We just log on and dreams appear

We're not alone  
We have our friends  
On cyber love we can depend  
So stick around cos we'd all miss  
you  
We need our graphics  
Need our visual

Complete control, you are the  
power  
We use our lives up by the hour
