

# All Is Found

From 'Frozen II'

Where the north wind meets the sea  
There's a river full of memory  
Sleep, my darling, safe and sound  
For in this river all is found

In her waters, deep and true  
Lie the answers and a path for you  
Dive down deep into her sound  
But not too far or you'll be drowned.

Yes, she will sing to those who'll hear  
And in her song, all magic flows  
But can you brave what you most fear?  
Can you face what the river knows?

(New key)

Where the north wind meets the sea  
There's a mother full of memory  
Come, my darling, homeward bound  
When all is lost, then all is found, is found...

All is found.
